**Notes to Editors:**

Power Metal Resources plc (LON:POW) is an AIM listed metals exploration and development company exploring for the key metals used in power generation, transmission, storage and utilisation. The Board and team of advisors, who have proven expertise in exploration, mining and project generation, have identified an opportunity to utilise the Company's position to become a

leader in the London market for investors to gain exposure to the power metal commodity suite, particularly cobalt, lithium, copper and nickel.
